Featuring Keynote Speaker: Melissa Ohden

Melissa is the survivor of a failed saline infusion abortion in 1977. Despite the initial concerns regarding Melissa's future after surviving the attempt to end her life and being born at approximately six months gestation, she has not only survived but thrived.

With a Master's Degree in Social work, she has worked in the fields of substance abuse, mental health, domestic violence/sexual assault counseling and child welfare.

Melissa is the Founder and Director of "For Olivia's Sake", an organization which seeks to peacefully raise awareness of the intergenerational impact of abortion on men, women, children, families, and communities. Fulfilling the purpose that she believes God set out for her when He saved her from the certain death of the abortion attempt, Melissa is truly a ***voice for the voiceless.***

Cost is \$20 per person. Seating is limited.

RSVP: Monday July 4th to 1818 Beaver Ave, Des Moines IA 50310
