## ABOUT STEVEN ERTELT

As the founder and Editor of *LifeNews.com*, Steven Ertelt has provided timely pro-life news to the pro-life community across the country and around the world for more than fifteen years. *LifeNews.com* is an independent news agency that reaches more than a quarter million people every week with its email news reports, web site and weekday radio program. The news outlet covers abortion, assisted suicide and euthanasia, bioethics issues such as human cloning and stem cell research, campaigns and elections, and legal and legislative issues.

He is a frequent speaker in pro-life topics, regularly lobbies at the state legislature, and appeared on television and radio programs. Mr. Ertelt is also the past president of Right to Life of Wyoming, a statewide pro-life group representing more than 11,000 families. Mr. Ertelt has appeared on countless radio and television programs talking about pro-life issues. He has been an announcer at radio stations in Texas and Arkansas and has hosted radio programs covering pro-life and public affairs issues. Mr. Ertelt holds a bachelor's degree in politics from Hendrix College in Arkansas. He lives in Fort Collins, CO with his wife Julie where they attend TimberLine Church.
